Carmel Convent School Jammu

From the principal's desk...

“The mind is not a vessel to be filled, but a fire to be kindled,” said Plutarch. I congratulate the staff and students of all faculties who used various mediums of expression to present their ideas. I sincerely appreciate every student who participated in co-curricular and extracurricular activities along with their commitment to the curriculum.

We have completed the first term and begun another one. I take this opportunity to thank you, dear parents, for your much-needed cooperation to walk this journey amid COVID-19 and thank God for his continuous watch over your families.

We are in the season of festivities; the festival of lights is round the corner. I wish each one of you the best life can offer. Let us fill our minds and homes with lights and flowers, not explosives and fumes, and not forget our nature this Diwali and celebrate an eco-friendly Diwali. Our School Motto Belief Enhances Life, lead you to remain focussed throughout the coming year.

Wishing you all a happy festive season and praying for everybody's wellness. Happy and Prosperous Diwali!

GOING DIGITAL IS STILL THE KEY

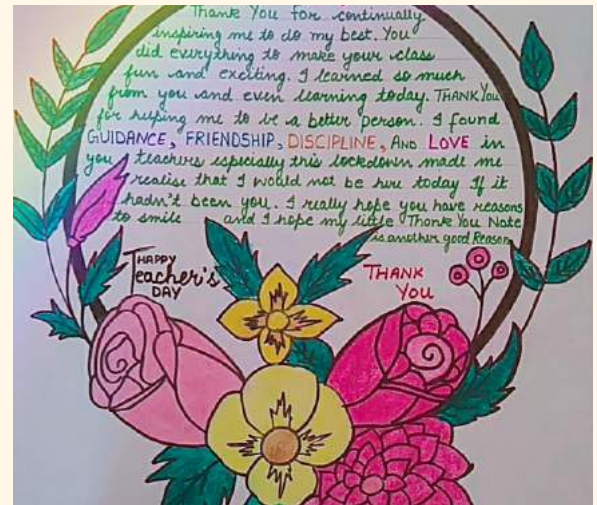

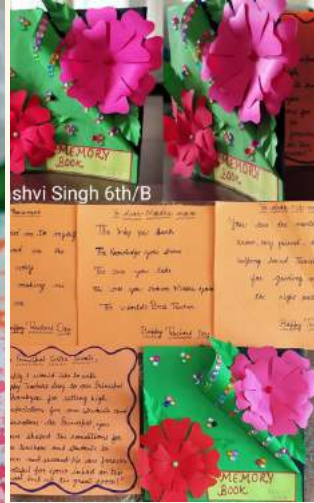

The school had shifted to Google Classrooms and Google Meet for classes starting from V to XII. We all know learning through critical thinking has become a fundamental teaching approach. It promotes a holistic understanding of the subject learned. Online technologies offer us new opportunities to create communities of inquiry that allow for more active learning that enhances students' critical thinking. The students have improved their learning experience, and have a very positive attitude towards online activities now. Following were the activities held in September and October 2020 were Teacher's Day, Hindi Diwas, International Literacy Day, Peace Day, Gandhi Jayanti, International Students Day, United Nations Day and World Mental Health Day

TEACHER'S DAY

GANDHI JAYANTI

PEACE DAY

FIRST PHYSICAL STAFF MEETING OF SESSION 2020-21

The staff meeting was held on 10th October on school premises for all members. Everyone ensured social distancing norms and safety measures. The Committees formed to plan for post-Corona safety measures in school to prepare the school post covid school reopening. Staff members divided into four committees- Emergency Care Support, General Support, Commodity, and Hygiene Inspection for taking care of all the things in school. They met in their respective groups and penned down a few points to enable us to start school as and when it takes place.
