## From the Principal's desk

### Dear parents and my dear students!

At the outset, I take this opportunity to greet you for a Bright New Year. I hope everyone had a restful break and enjoyed a wonderful holiday.

It was an exciting end of the year with many motivational activities and celebrations, brought us together. The United Nations has declared the year 2021 as the Year of Peace and Trust. Two decades now the UN, called us to reflect on the same theme, yet the UN takes it up again for our reflection and working towards a holistic living.

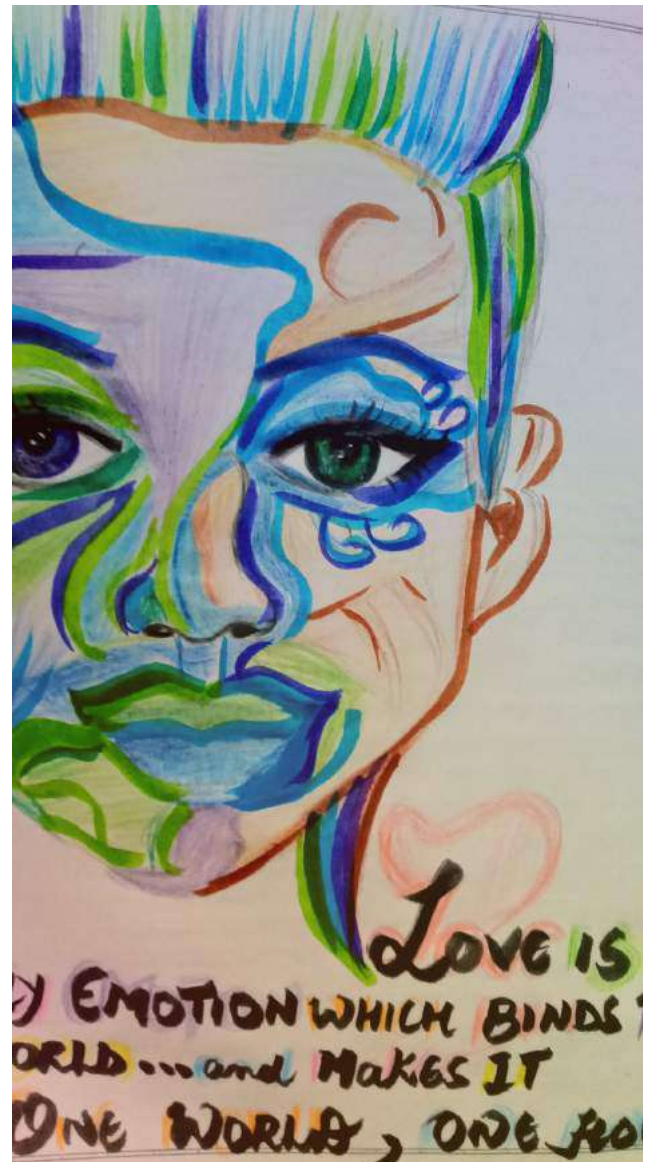

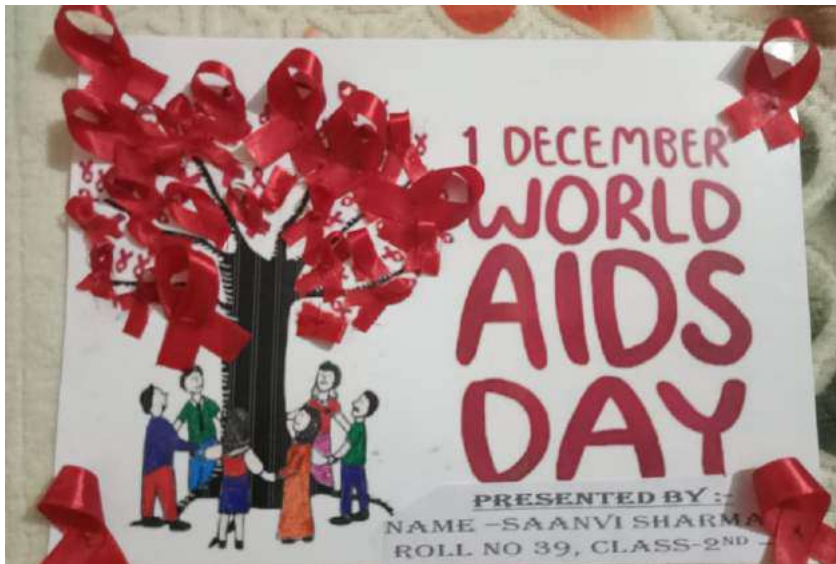

Peace and trust are twin stands; one takes strength from the other. I request you to contribute your share towards this venture and prepare our students for a healthy living and peaceful co-existence and through various activities.

Also, I want to thank you, dear teachers, staff, students, and parents/guardians for all the hard work you have put in to keep our children in a safe environment. As the academic year 2020 -2021, comes to an end I earnestly request the parents to spend some quality time and look into the activities that they are engaged in, especially on social media. Let's be optimistic and start a New Beginning!
