Holiday Research Work

Student's Name: _____

Date: _____

Dear Students,

We know that when you think of summer, you always think of fun filled activities such as; playing for longer hours, exploring new places, visiting your grandparents, bonding with your cousins ,watching movies etc. But Studies are important for us to gain knowledge, and sports are important to keep active, healthy and learn various personality traits such as leadership, team spirit, responsibility and many more. With this thought in mind, this year, the school has designed your holiday homework to keep you actively and fruitfully engaged during your summer break.

Some Tips to make this holiday special:

- Make a list of books you've always wanted to read or find a list of best-sellers and give yourself plenty of reading for the summer.
- Take an educational vacation with your parents.
- Learn to play an instrument.
- Learn a new language.
- Visit some museums.
- Have family dinner together and spend time with your grand parents.
- Play outdoor games and have lots of fun.

Bring all your homework when you come back to school after the vacation. Though we will miss you and your chatter and laughter definitely, we wish you a HAPPY AND HAPPENING SUMMER BREAK!

Enjoy and take care of yourself!

With Love
