

Summer Holiday Homework

Carmel Convent School

Class - III

Session 2023-2024

Summer is messy, Summer is fun, Trips to the beach,

In the hot, hot Sun, Let's give summer,

A big fat cheer! Summer is the best time of the year.

Dear children,

Summer vacation is the time for strengthening family bond by sharing joys and sorrows and spending good time together and also for pursuing your passions.

Engage yourself in constructive work, exercise regularly, take good care of your health and hygiene. Avoid heavy and oily food and increase the intake of fresh fruits and water to keep yourself hydrated and energetic.

Stay indoors and avoid going out until it is unavoidable. Take all precautions and stay safe.

Continue to read e-newspaper every day and don't forget to complete your notebooks and assignments of the syllabus covered in online classes during April and May.

Knowledge is power and to impart it righteously, we have carefully and meticulously designed the Summer Break Assignments. It aims to create a spirit of enquiry, creativity and sensibility among the learners. It is vital to enable our learners to foster an outlook that helps them explore, discover and rediscover.

Use your imagination, creativity and knowledge to do the assigned task and attempt the assignments neatly and beautify them by providing required illustrations.

NOTE: All work should be done exclusively by students. Parents may guide their wards, but let the child take the lead and complete the work on his/her own. Holiday Homework will be a part of internal assessment. Original work of students will receive greater recognition and appreciation. After completion, the work should be attached in Google classroom only by old students. All newly admitted students (only) can send their work to their respective subject teachers through WhatsApp.

It's time to learn and enjoy. So spend these holidays creating a nurturing and stimulating environment filled with fun, frolic and learning.

Stay healthy and safe!

Happy Summers

My English Project

Q. Look at the above picture. Write a story about the day you went to the park on a family picnic. Use the picture as a reference for your composition.

Create your own dictionary

Prepare a Dictionary having a minimum of two words of each alphabet with meaning to enhance the vocabulary. Cover it with a beautiful cover and put a bookmark in it with a moral value written on the bookmark.

My Maths Project & Shape Art

Draw any one picture art by cutting and pasting different shapes as shown in the picture. You can make any vehicle, robot, cartoon, human, castle, animal etc by using your own ideas and creativity.

Note: You can use coloured origami sheets, old magazines, newspapers for this creativity.
